

# Hybrid System – G1/2" WBS

System with exchangeable bursting discs for multiple use

**All fittings can be combined with one another**

**Wrench size:**

WS 27	WS 27	WS 27
-------	-------	-------

**Total lengths:**

74 to 77 mm	72 to 75 mm	63 to 66 mm
-------------	-------------	-------------

**Thread lengths:**

on both sides 19 mm outside	outside 19 mm inside 17 mm	on both sides 17 mm inside
-----------------------------	-------------------------------	----------------------------

**Nominal size DN:**

1/2" or 12.7 mm	1/2" or 12,7 mm	1/2" or 12.7 mm
-----------------	-----------------	-----------------

**Body material:**

stainless steel 1.4404	stainless steel 1.4404	stainless steel 1.4404
------------------------	------------------------	------------------------

**Material of the bursting elements (depending on request and availability):**

Membranes made of:	<ul style="list-style-type: none"> <li>- nickel</li> <li>- stainless steel</li> <li>- inconel</li> <li>- aluminium</li> </ul>	or bursting disc assemblies
-----------------------	---	--------------------------------

**Bursting pressures:**

1-600 bar	1 – 600 bar	1 – 600 bar
-----------	-------------	-------------

**Temperatures:**

Rating of the bursting pressures at various temperatures possible on request
--

**Application:**

Multiple-use bursting disc holder
-----------------------------------
